Complaint Regarding Faulty Installation

Dear Sir/Madam,

I am writing to formally complain regarding the faulty installation of at my premises, located at .

The installation was carried out on by your technician(s). Shortly after installation, I noticed the following issues:

- _____
- _____
- _____

I have attempted to resolve these problems by , but the issues persist. I request that you send a qualified technician to inspect and rectify the installation at the earliest possible time.

Please find attached copies of the invoice and supporting documents for your reference.

I hope to receive a prompt response and resolution. Thank you for your attention to this matter.

Yours sincerely,
