

Founders' Declaration

We, the undersigned, hereby declare that we are the founders of **[Company Name]**, a company to be incorporated under the laws of **[Jurisdiction]**. We jointly agree to and confirm the incorporation of the company in accordance with the relevant law and the articles of association.

Declaration

1. We confirm that all information provided in the incorporation application, including but not limited to our identities, capital contributions, registered address, and purpose of the company, is accurate and complete to the best of our knowledge.
2. We undertake to comply with all applicable laws, regulations, and obligations relating to the incorporation and subsequent operation of the company.
3. We acknowledge and accept our respective commitments and responsibilities as set out in the articles of association and any relevant agreements between the founders.
4. We declare that the subscribed capital will be paid in accordance with the agreed schedule and as required by law.
