

Patient Rights and Responsibilities Acknowledgment

Patient Rights

- To receive considerate, respectful, and compassionate care.
- To obtain complete and current information about your diagnosis, treatment, and prognosis in understandable terms.
- To expect privacy and confidentiality regarding your medical care.
- To participate in decisions regarding your care.
- To refuse treatment, within legal limits, and to be informed of the consequences.
- To know the identity and professional status of those involved in your care.

Patient Responsibilities

- To provide accurate and complete information about your health and any changes to your condition.
- To follow the treatment plan recommended by your healthcare provider.
- To communicate openly about questions, concerns, or if you do not understand information or instructions.
- To respect healthcare staff, other patients, and facility guidelines.
- To meet your financial obligations related to your care.

I acknowledge that I have read, understood, and received a copy of the Patient Rights and Responsibilities outlined above.
