Dear Dr. Johnson,

I am referring my patient, John Doe, for a remote specialist consultation regarding his ongoing neurological symptoms. Mr. Doe has been experiencing persistent headaches and intermittent visual disturbances over the past six weeks.

Relevant medical history, examination findings, and recent laboratory/imaging results are attached for your review. I am seeking your expertise in further evaluation and management recommendations.

Please let me know if any additional information is required. You may contact me directly at (123) 456-7890.

Thank you for your attention to this referral.

Sincerely,
