

# Anonymous Survey Participation Consent Form

You are invited to participate in a research survey. Please read the information below to help you decide whether you wish to complete this anonymous survey.

## Purpose of the Survey

The purpose of this survey is to collect data for research purposes. Your honest responses will help us better understand the topic being studied.

## Voluntary Participation

Your participation is entirely voluntary. You may refuse to take part in the survey or exit the survey at any time without penalty or loss of benefits to which you are otherwise entitled.

## Anonymity

This survey is anonymous. You will not be asked to provide any identifying information, and your responses cannot be linked back to you.

## Confidentiality

All survey responses will be kept confidential. Data will be reported only in aggregate form.

## Risks and Benefits

There are minimal risks associated with participating in this survey. There are no direct personal benefits, but your answers may help advance knowledge in this area.

## Contact Information

If you have any questions about this survey, please contact the research team at:  
[Researcher's Email / Phone Number]

## Consent

By completing and submitting the survey, you indicate your consent to participate in this research study. Please retain a copy of this form for your records.
