

# Consent Form for Online Educational Research Studies

You are invited to participate in an online educational research study. Please read the following information carefully before deciding whether to participate.

## Purpose of the Study

The purpose of this study is to investigate various aspects of online learning and education. Your responses will contribute valuable insights to improve educational practices.

## Participation

Your participation is completely voluntary. You may choose to withdraw from the study at any time, without penalty or loss of benefits.

## Procedures

If you choose to participate, you will be asked to complete an online survey or activity. The expected time commitment is approximately 20-30 minutes.

## Confidentiality

All information collected in this study will be kept confidential. No personally identifying information will be shared, and data will be reported in aggregate form only.

## Risks and Benefits

There are minimal risks associated with participation. You may benefit by contributing to the understanding and improvement of educational practices.

## Contact Information

If you have any questions about the study, please contact the principal investigator at:

[Investigator Name]

[Contact Email]

[Institution/Organization]

## Consent

By providing your signature below, you acknowledge that you have read and understood the information above, and agree to voluntarily participate in this study.
