

Focus Group Participation Consent Document

Study Title

(Insert School Research Title Here)

Purpose of the Study

You are invited to participate in a focus group as part of a research study conducted by *(Researcher's Name/School Name)*. The purpose of this study is to *(briefly describe the purpose of the research)*.

Procedures

If you agree to participate, you will be asked to join a group discussion that will last approximately *(duration)* minutes. The discussion will be audio recorded for research purposes.

Confidentiality

All information shared in the focus group will remain confidential. Your name will not be used in any reports or publications. Audio recordings will be stored securely and only the research team will have access.

Voluntary Participation

Your participation is entirely voluntary. You may choose not to answer any question and you may withdraw from the focus group at any time without penalty.

Risks and Benefits

There are no known risks associated with participating in this study. Although you may not receive any direct benefit from participation, your input may help improve understanding of the research topic.

Contact Information

If you have any questions or concerns about this study, please contact:
(Researcher's Name and Contact Information)

Consent

By signing below, you agree that you have read and understood the information provided above, and you consent to participate in this focus group.
