

# Student Assent Form

## School-Based Research Study

You are being asked to take part in a research study at your school. This form will guide you through what the study is about and what you will be asked to do. Please read this form carefully and ask any questions you may have before signing.

### Why are we doing this study?

The purpose of this study is to learn more about [insert brief reason for the study, e.g., "how students learn in class"].

### What will happen?

- You will be asked to [insert study activities, e.g., "answer some questions" or "complete some surveys"].
- Your participation will take about [insert approximate time, e.g., "30 minutes"].
- What you share will remain confidential and will not affect your grades.

### Do I have to participate?

No. You do not have to participate if you don't want to. If you start and change your mind, you can stop at any time. No one will be upset with you if you decide not to participate or to stop.

### Who can I talk to?

If you have questions about the study, you can talk to your parent/guardian, your teacher, or the researcher:
