

# College Algebra Syllabus Outline

## Course Information

- Course Title:
- Course Code:
- Credits:
- Semester/Year:
- Class Location/Time:

## Instructor Information

- Name:
- Email:
- Office Location:
- Office Hours:

## Course Description

## Prerequisites

## Textbook & Materials

- Required Textbook:
- Other Materials:

## Learning Outcomes

- 1.
- 2.
- 3.

## Topics Outline

1. Equations & Inequalities
2. Functions & Graphs
3. Polynomial & Rational Functions
4. Exponential & Logarithmic Functions
5. Systems of Equations
6. Additional Topics

## Grading Policy

| Assessment | Weight |
|------------|--------|
| Homework   |        |
| Quizzes    |        |
| Exams      |        |
| Final Exam |        |

**Attendance Policy**

**Course Schedule (Tentative)**

| Week | Topics | Assignments/Due Dates |
|------|--------|-----------------------|
| 1    |        |                       |
| 2    |        |                       |

**Academic Integrity**

**Disability Services**

**Additional Information**
