

# Financial Need Statement Sample

## For: Scholarship Application

My name is [Your Name], and I am currently a [Your Year, e.g., second-year] student at [Your University/School] majoring in [Your Major]. I am applying for the [Name of Scholarship] to support my educational pursuits and alleviate the financial constraints faced by my family and me.

I come from a modest background and my family has always prioritized education despite limited resources. My parents work as [Parent Occupation(s)], and our combined household income is primarily dedicated to meeting basic living expenses. As a result, the costs associated with tuition, books, and living expenses create a significant burden for us.

In order to contribute to my education, I have taken up part-time work while maintaining my academic performance. However, the rising costs make it increasingly challenging to balance work hours and academic responsibilities. Receiving this scholarship will allow me to focus more on my studies, participate in extracurricular activities, and contribute to my community, without the constant worry of financial strain.

I am sincerely committed to making the most of my educational opportunities and am grateful for your consideration of my application. Your support would make a lasting difference in helping me achieve my academic and professional goals.

Thank you for your time and consideration.

Sincerely,  
[Your Name]
