IEP Goal(s) Addressed

---

## Lesson Objectives

State measurable objectives aligned with IEP goals.

## Standards

List relevant academic standards.

## Materials/Resources

List materials, equipment, and assistive technology needed.

## Instructional Procedures

### Anticipatory Set

Describe how the lesson will be introduced.

### Explicit (Direct) Instruction

Outline teaching procedures and modeling.

### Guided Practice

Describe activities for practicing skills with support.

### Independent Practice

List activities students complete independently.

#### **Closure**

Describe lesson wrap-up and assessment of understanding.

#### **Differentiation/Accommodations/Modifications**

List strategies and supports per IEP needs.

#### **Assessment/Evaluation**

Describe methods to monitor progress toward the lesson objectives and IEP goals.

#### **Reflection/Next Steps**

For teacher notes on lesson effectiveness and plans for future instruction.
