Dear Admissions Committee,

I am pleased to write this letter in strong support of Alex Riveraâ€™s application to your highly regarded Arts Program. As Alexâ€™s Visual Arts teacher at Central High School for the past three years, I have witnessed firsthand his remarkable creativity, dedication, and growth as an artist and student.

Alexâ€™s artistic talent is matched by his commitment to exploring a wide range of media, techniques, and themes. His portfolio demonstrates both technical skill and an original perspective, blending classical concepts with contemporary ideas. One of his standout works, a mixed-media piece exploring urban identity, was awarded first place at our regional high school arts showâ€“a testament to both his originality and technical proficiency.

In addition to his artistic accomplishments, Alex stands out for his willingness to collaborate and uplift his peers. He regularly leads group critiques and helps organize community art projects, demonstrating leadership and a passion for sharing art beyond the classroom. His work ethic, humility, and thoughtful engagement with artistic challenges make him an exemplary student.

I am confident that Alex will excel in your Arts Program and make meaningful contributions to your college community. I recommend him without reservation.

Please feel free to contact me if you need further information.

Sincerely,  
Jamie Holloway
