

Mobile Device Permissions Policy Sample

Introduction

This document outlines the policy regarding the permissions required by our mobile application. By using our app, you acknowledge and consent to the following permissions.

Required Permissions

- **Camera:** Allows the app to capture photos or videos for profile updates or in-app content creation.
- **Microphone:** Enables voice notes or audio recordings within the app.
- **Location:** Used for location-based services and features, such as finding nearby stores or personalizing content.
- **Storage:** Grants the app access to store and retrieve files for app functionality, such as downloads or image uploads.
- **Contacts:** Allows the app to access your contacts for features like inviting friends.
- **Notifications:** Enables alerts and notifications to keep you updated on important activities or messages.

Permission Usage

1. Permissions are used solely for purposes directly related to app functionality.
2. Personal data obtained through permissions will be handled in accordance with our
