Connected Security Camera User Manual

Table of Contents

1. Product Overview

Your Connected Security Camera helps monitor your space remotely with high-definition video streaming, two-way audio, and motion detection. Use the companion mobile app for instant notifications and remote control.

2. Package Contents

- Security Camera
- Power Adapter
- Mounting Kit
- Quick Start Guide
- Warranty Card

3. Installation

1. Choose a location with clear Wi-Fi reception.
2. Attach the camera to the mounting base using the kit provided.
3. Plug the power adapter into the camera, then into an outlet.
4. Adjust camera angle as needed.

4. Camera Setup

1. Download the companion app from the App Store or Google Play.
2. Create or log in to your account.
3. Follow the in-app instructions to connect the camera to your Wi-Fi network.
4. Name your camera and assign it to a room if desired.

5. Mobile App Integration

- Live View: See real-time footage from your camera.
- Two-Way Talk: Press the microphone icon to communicate via your camera.
- Motion Alerts: Enable to receive instant notifications.
- Cloud Storage: Subscribe in app for video history access.

6. Basic Operation

- Arm/Disarm: Toggle motion alerts as desired.
- Video Recording: Set to auto-record on motion, or record manually from the app.
- Playback: Access recorded clips via the app.

7. Troubleshooting

Issue	Solution
No video feed	Check camera power and Wi-Fi connection.
Not connecting to Wi-Fi	Ensure 2.4GHz Wi-Fi and correct password.
No motion alerts	Check alert settings in the app.

8. Technical Specifications

- Resolution: 1080p HD
- Wi-Fi: 2.4GHz, IEEE 802.11 b/g/n
- Power: 5V/1A adapter
- Operating Temperature: -10Â°C to 50Â°C

9. Safety Information

- Do not expose the camera to water or extreme heat.
- Use only the supplied power adapter.
- Keep away from children.

10. Support and Warranty
