

Children's Online Privacy Policy

Effective Date: June 17, 2024

1. Introduction

This Privacy Policy explains how our mobile application collects, uses, and protects the personal information of children under the age of 13 in compliance with the Children's Online Privacy Protection Act (COPPA).

2. Information We Collect

We do not require children to provide personal information to use our app. We may collect limited, non-personal information such as:

- App usage statistics
- Device type and operating system
- Anonymous analytics data

No personal identifiers (like names, addresses, or contact information) are collected from children.

3. How We Use Information

The information we collect is used solely to:

- Improve app functionality
- Fix technical issues
- Understand general usage patterns

4. Sharing of Information

We do not share, sell, or disclose children's information to third parties except as necessary to operate and maintain the app (for example, with trusted service providers who support the app's functionality).

5. Parental Rights

Parents and guardians have the right to:

- Review information collected from their child
- Request deletion of their child's information
- Refuse further collection or use of their child's information

Please contact us at the email address below to exercise these rights.

6. Security

We take reasonable steps to protect children's information, using standard security measures and limiting the collection of information.

7. Changes to This Policy

We may update this Privacy Policy from time to time. Please review this page periodically for any changes.
