

# Children's Privacy Policy

This Childrenâ€™s Privacy Policy explains how we collect, use, disclose, and safeguard the personal information of children under the age of 13 who use our web-based services. We are committed to protecting childrenâ€™s privacy online and comply with the Childrenâ€™s Online Privacy Protection Act (COPPA).

## Information We Collect

- We may collect information such as a childâ€™s first name, username, or email address (with parental consent where required).
- We automatically collect limited usage data such as device type, IP address, and information about how the service is used (for example, pages viewed).

## How We Use Information

- To provide and improve our services.
- To personalize the experience for the user.
- To maintain security and prevent misuse.
- To communicate with parents or guardians, as necessary.

## Parental Consent

We require verifiable parental consent before collecting personal information from children. Parents can review, delete, or refuse further collection of their child's information by contacting us.

## Disclosure of Information

- We do not share or sell personal information of children with third parties, except as necessary to provide the service or as required by law.
- We may share information with service providers who assist us in operating our service, under confidentiality agreements.

## Data Security

We use reasonable security measures to protect childrenâ€™s information from unauthorized access or disclosure.

## Parental Rights

Parents and guardians have the right to review, edit, or delete their child's personal information at any time. Please contact us to exercise these rights.
