

Safety Compliance and Site Regulations Addendum

Project: _____
Location: _____
Date: ____ / ____ / ____

1. Overview

This Safety Compliance and Site Regulations Addendum ("Addendum") outlines the minimum safety and regulatory protocols to be followed by all personnel and subcontractors involved in the execution of the referenced civil construction project.

2. General Safety Requirements

- All site personnel must attend a daily safety briefing before commencing work.
- Personal Protective Equipment (PPE), including helmets, high-visibility vests, steel-toe boots, and gloves, must be worn at all times.
- No unauthorized persons are permitted on site.
- First Aid kits and fire extinguishers must be accessible at designated locations.

3. Site Regulations

- Smoking, alcohol, and illegal substances are prohibited at all times.
- Machinery and tools must only be operated by qualified personnel.
- All incidents and near-misses must be reported immediately to the site supervisor.
- Waste must be disposed of as per site-specific environmental guidelines.

4. Emergency Procedures

Type	Procedure	Contact
Medical Emergency	Notify supervisor, call emergency services, administer first aid.	_____
Fire	Raise alarm, evacuate area, use extinguisher if safe.	_____
Evacuation	Follow site evacuation routes to assembly point.	_____

5. Compliance

- Failure to adhere to this Addendum may result in removal from site or contract termination.

6. Acknowledgement

By signing below, the parties confirm understanding and commitment to comply with the requirements set forth in this Addendum.
