

Construction Site Safety Policy Template

1. Policy Statement

This Construction Site Safety Policy establishes our commitment to maintaining a safe and healthy working environment for all employees, contractors, and visitors on our construction sites.

2. Scope

This policy applies to all personnel, subcontractors, and visitors present at any construction site managed by the company.

3. Responsibilities

- **Management:** Ensure resources and support for safety programs.
- **Supervisors:** Enforce safety procedures and supervise safe practices.
- **Employees:** Follow safety rules and report hazards.
- **Contractors/Visitors:** Comply with all site safety requirements.

4. General Safety Rules

- All personnel must attend site-specific safety orientations.
- Personal protective equipment (PPE) must be worn as required.
- Report all accidents, injuries, or unsafe conditions immediately.
- Comply with signage and instructions issued by site supervisors.

5. Hazard Identification & Control

- Conduct regular risk assessments.
- Implement control measures for identified hazards.
- Update hazard registers and communicate with all personnel.

6. Training & Communication

- Provide safety training relevant to job roles.
- Hold regular safety meetings and toolbox talks.
- Maintain accessible safety documentation on site.

7. Emergency Procedures

- Develop and display emergency evacuation plans.
- Ensure access to first aid and fire equipment.
- Assign and train designated emergency contacts.

8. Policy Review

This policy shall be reviewed annually or following any significant incident or regulatory changes.

9. Acknowledgement

By signing below, I acknowledge that I have read, understood, and agree to comply with the Construction Site Safety Policy.
