

Fireproofing Material Technical Data Submittal

1. Project Information

Project Name: _____
Project Location: _____
Owner/Client: _____
Contractor: _____
Submittal Date: _____

2. Product Information

Product Name: _____
Manufacturer: _____
Product Type: _____
Intended Use: _____
Thickness Required: _____
Color: _____

3. Technical Data

| Property | Value | Test Method/Standard |
|----------------------|-------|----------------------|
| Density | _____ | _____ |
| Bond Strength | _____ | _____ |
| Compressive Strength | _____ | _____ |
| Fire Rating | _____ | _____ |
| VOC Content | _____ | _____ |
| Other | _____ | _____ |

4. Approvals & Certifications

Certifications: _____
Standard Approvals: _____
Test Reports: _____

5. Remarks / Notes

6. Attachments

- Product Data Sheet
- Material Safety Data Sheet (MSDS)
- Certificates & Test Reports

- Application Guidelines

7. Submitted By

Name: _____

Company: _____

Signature: _____

Date: _____
