

# Subdivision Trash and Recycling Policy

**Effective Date:** January 1, 2024

## 1. Purpose

This document outlines the guidelines and procedures for trash and recycling collection for all residents of Sunnyfield Subdivision. It aims to ensure the cleanliness and safety of our community while encouraging proper waste disposal and recycling practices.

## 2. Collection Schedule

Service	Collection Day	Time
Trash	Monday	7:00 AM – 6:00 PM
Recycling	Thursday	7:00 AM – 6:00 PM

Place bins on curb no earlier than 6:00 PM the night before collection and remove by 9:00 PM on collection day.

## 3. Approved Containers

- Trash must be placed in approved subdivision garbage bins with secure lids.
- Recyclables must be placed in blue-labeled subdivision recycling bins.
- Bins must not exceed 50 lbs when full.

## 4. Acceptable Items

### Trash

- Household waste
- Food scraps
- Non-recyclable packaging

### Recycling

- Paper and cardboard
- Plastic bottles and containers (labels #1-7)
- Glass bottles and jars
- Aluminum and tin cans

## 5. Unacceptable Items

- Hazardous materials (batteries, paint, chemicals)
- Electronic waste
- Construction debris
- Yard waste (separate collection schedule applies)

## 6. Bulk Pickup

Bulk items (e.g. furniture, mattresses) are collected on the first Friday of each month. Requests must be submitted to

the subdivision office by the previous Monday.

## 7. Enforcement and Penalties

- Improper bin placement: Written warning, then \$25 fine
- Contaminated recycling: \$15 surcharge
- Illegal dumping: Subject to city ordinance penalties
