

Batch Production Record (BPR) Oral Solid Dosage Forms

Product Information

Product Name: _____
Batch Number: _____
Strength: _____
Dosage Form: _____
Batch Size: _____
Manufacturing Date: _____
Expiry Date: _____

Bill of Materials

No.	Material Name	Material Code	Quantity Required	Quantity Issued	Lot/Batch No.	Issued By	Date

Manufacturing Steps

Step No.	Process Description	Parameters	Performed By	Date/Time	Verified By
1	Weighing of raw materials				
2	Blending				
3	Granulation / Compression				
4	Coating (if applicable)				
5	Packing				

In-process Control Results

Test	Specification	Result	Checked By	Date
Appearance				
Weight Variation				
Hardness				
Disintegration				

Yield Calculation

Theoretical Yield: _____
Actual Yield: _____
Yield %: _____

Final Approval

Produced By:
