

# Batch Production Record (BPR)

## Capsule Manufacturing Process

Product Name		Batch No.	
Strength		Batch Size	
BMR Ref. No.		Manufacture Date	
Expiry Date		Date of Completion	

### 1. List of Raw Materials

Material Name	Lot No.	Qty. Required	Qty. Issued	Qty. Used	Remarks

### 2. Equipment Used

Equipment Name / ID	Cleaned & Verified By	Date	Remarks

### 3. Process Details

(Record each step, reference SOP, include times, observations, and initials/signature.)

Step/Operation	Details/Parameters	Date & Time	Performed By	Checked By	Remarks
Dispensing					
Blending					
Capsule Filling					
Capsule Polishing					
Sampling					
Yield Calculation					

### 4. In-Process Controls

Control Parameter	Specification	Result	Checked By	Remarks
Weight Variation				
Disintegration				
Appearance				

### 5. Yield Calculation

Theoretical Yield		Actual Yield		% Yield	
-------------------	--	--------------	--	---------	--

### 6. Remarks / Deviations

--
