

Capacitor Lot Incoming Quality Report

Lot Identification

Part Number	Lot Number	Date Received	
Supplier	Quantity Received	Purchase Order No.	

Visual Inspection

Item	Acceptance Criteria	Result	Remarks
Surface Condition	No cracks, chips, contamination		
Marking	Clear and legible		
Lead Condition	Straight, no oxidation		

Electrical Testing

Parameter	Specification	Measured Value	Result
Capacitance			
Dissipation Factor			
Insulation Resistance			

Dimension Check

Parameter	Specification	Measured Value	Result
Length			
Diameter			
Lead Spacing
