

# SMT Resistor Incoming Inspection Report

Supplier Name		Date Received	
Part Number		Lot/Batch No.	
Quantity Received		Supplier Invoice No.	
Reference Specification			

## Visual Inspection

Criteria	Description	Result	Remarks
Marking	Clear, correct markings per spec		
Packaging	No damage, sealed properly		
Physical Damage	No chips, cracks, discoloration		

## Dimensional Inspection

Parameter	Specification	Measured Value	Result
Length (mm)			
Width (mm)			
Thickness (mm)			

## Electrical Test

Parameter	Specification	Measured Value	Result
Resistance			
Tolerance			

## Conclusion

Disposition
