

# Electronic Assembly First Article Verification Report

## General Information

Project/Model		FAI Report No.	
Part Number		Revision	
Customer		Date	
Manufacturer		Assembly Number	

## Assembly Details

Component Ref	Description	Manufacturer	Part Number	Qty Used	Lot/Batch No.	Verification Result	Remarks

## Visual and Functional Inspection

Inspection Item	Acceptance Criteria	Result	Remarks
Component Polarity			
Soldering Quality			
Component Orientation			
Cleaning/Residue			

## Remarks and Actions

Date	Remark	Action Taken
