

Beverage Packaging Specification Document

1. General Information

Document Title	Beverage Packaging Specification
Product Name	
Product Code	
Version	
Date	

2. Packaging Components

Component	Material	Supplier	Specification	Dimensions	Color
Primary Container					
Closure/Cap					
Label					
Secondary Packaging					
Tertiary Packaging					

3. Packaging Dimensions

Component	Length	Width	Height	Diameter	Volume
Primary Container					
Secondary Packaging					

4. Labeling Requirements

- Label placement:
- Information required:
- Barcode placement:
- Regulatory symbols:

5. Shelf Life & Storage

Parameter	Specification
Shelf Life	
Storage Conditions	
Temperature Range	

6. Regulatory & Safety

- Compliance Standards:

- Certifications Required:
- Warnings/Instructions:

7. Quality Control

- Inspection Criteria:
- Sampling Plan:
- Testing Methods:

8. Revision History
