

Memorandum of Understanding (MoU)

for Research Collaboration

This Memorandum of Understanding ("MoU") is made on this ____ day of _____, 20____, by and between:

[Organization A Name], located at [Address], represented by [Name, Title]; and
[Organization B Name], located at [Address], represented by [Name, Title].

1. Purpose

The purpose of this MoU is to establish a framework for collaboration between the Parties to undertake joint research activities and promote mutual interests in fields of common interest.

2. Areas of Collaboration

- Joint research projects and publications
- Exchange of researchers and staff
- Sharing of research facilities and resources
- Organization of workshops, seminars, and conferences

3. Roles and Responsibilities

- Each Party shall appoint a coordinator for managing cooperation under this MoU.
- Both Parties will jointly define research objectives and share results as agreed upon.
- Intellectual property arising jointly shall be shared according to subsequent agreements.

4. Duration & Termination

This MoU will remain in effect for a period of ____ years from the effective date unless terminated earlier by either Party with a written notice of ____ days.

5. Miscellaneous

- This MoU is not legally binding but demonstrates the Parties' intent to collaborate in good faith.
- Any amendments to this MoU must be made in writing and signed by authorized representatives of both Parties.
