

# Hospitality Workplace Safety Procedures Guide

This guide provides an overview of essential safety procedures for hospitality workplaces. All staff are required to understand and follow these protocols to ensure a safe environment for employees and guests.

---

## 1. General Safety

- Report hazards or unsafe conditions immediately to your supervisor.
- Use personal protective equipment (PPE) as required.
- Keep work areas clean and free of clutter.
- Follow all posted safety signs and instructions.

## 2. Emergency Procedures

### Evacuation

1. Follow designated evacuation routes posted in your area.
2. Assist guests and co-workers if safe to do so.
3. Proceed to the nearest assembly point and await instructions.

### Fire Safety

- Know the location of fire extinguishers and alarms.
- Do not use elevators during a fire emergency.
- Alert others and evacuate immediately if a fire is detected.

## 3. Food Safety

- Wash hands thoroughly before handling food and after using the restroom.
- Store perishable items at appropriate temperatures.
- Label and date all food items as required.
- Follow proper procedures for cleaning and sanitizing food contact surfaces.

## 4. Slips, Trips, and Falls Prevention

- Clean up spills immediately and use wet floor signage.
- Ensure walkways are clear of obstacles.
- Wear slip-resistant footwear as appropriate.

## 5. Incident Reporting

- Report all accidents, injuries, or near-misses to management as soon as possible.
- Complete an incident report form for documentation.
